This article's supply chain does not meet the requirements for a MADE IN GREEN by OEKO-TEX® label on 2023-02-04:

- If articles with colors other than untreated are defined, at least one STeP certified 'Pretreatment, dyeing, printing, finishing, coating, washing etc.' process is expected. Your supply chain may be incomplete.
- An article with classification 'End-user, ready made goods' has been defined. However, there is no STeP certified supplier providing 'Making up of Products'. The supply chain may be incomplete.
- At least one supplier has to be STeP certified.

This could mean that some requests in your supply chain need to be renewed.

5.2.1 Expired Label Details
